

# PENNIES FOR A CURE

Raising Small Change For A Big Cause

**SPF**

**SPASTIC  
PARAPLEGIA  
FOUNDATION, INC.**

*Research / Education / Support*

"Thousands of kids and adults in America suffer from degenerative spinal cord diseases called Spastic Paraplegia and Primary Lateral Sclerosis, which slowly rob people of their ability to walk and talk. The Spastic Paraplegia Foundation raises money with the hope of finding a cure so that one day they can stand, talk and walk proudly."
